

Ted Mah

Description

I'm saddened to report that my good friend Ted Mah, a retired member of the Business Division passed away almost two weeks ago. Ted was our Division head for at least three terms of three years each. And he was perhaps the most popular head of our Division . He was also kind, patient, generous and uniquely diplomatic. I'll miss him as will others who were privileged to know him.

A memorial service is scheduled for Sunday the 7th of April.
